Being the proprietary owner of the Forum, the Foundation administers and organises the annual WIEF, as well as ensuring the smooth running of the initiatives and programmes under its purview.

The WIEF Foundation has its own corporate administrative structure, which includes the Board of Trustees led by the Chairman of the Foundation, and supported by the International Advisory Panel and the Permanent Secretariat based in Kuala Lumpur.
ABOUT THE WIEF
The WIEF is the ideal forum to create awareness, develop new and innovative ideas and ensure the principles of good governance are widely-disseminated and put into practice by people, businesses and leaders as a whole.

– Dato’ Sri Mohd Najib Tun Abdul Razak,
Prime Minister of Malaysia & Patron, WIEF Foundation
The World Islamic Economic Forum started off from a modest beginning as the OIC Business Forum, which was held on 15th October 2003, in conjunction with the tenth OIC Summit in Putrajaya, Malaysia. The inaugural OIC Business Forum sought to create a business ‘face’ of the OIC.

The Forum brought together government leaders, captains of industries, academic scholars, regional experts, professionals and corporate managers to discuss opportunities for business partnerships in the Muslim World.

This was an important shift that opened up the Forum to include Muslim communities beyond OIC countries and other non-Muslim communities across the globe.
OBJECTIVES

- To enhance the economic well-being of the people of Muslim nations and Muslim communities worldwide through increasing trade and business opportunities amongst them, as well as the world at large.

- To package the Muslim World as a lucrative trade and investment caucus that is able to attract foreign investors and business partners from various countries worldwide.

- To strengthen networking and foster strategic alliances through the exchange of ideas, information and knowledge.

- To promote dialogue and foster cooperation among the Muslim and non-Muslim businessmen in the belief that collaboration is the salient feature of the 21st century international relations. Business partnerships can become genuine bridges towards peace and prosperity between the Muslim and non-Muslim World.

INITIATIVES AND PROJECTS

True to our commitment to focus on initiating programmes, the World Islamic Economic Forum established the WIEF Education Trust (WET), WIEF Businesswomen Network (WBN), WIEF Young Leaders Network (WYN) and WIEF Roundtable Series to come up with projects and programmes in these four respective areas.
WIEF gets the right priority because there is absolutely no denial that the only way to ensure a better world is to concentrate on the women and youth of the world.

– Tun Musa Hitam,
Chairman, WIEF Foundation
The WIEF Education Trust (WET) was launched during the 2nd WIEF in Islamabad, Pakistan in 2006. The WET was established on the premise that education is the most important pillar in every society and that the fate and future of a community lies in the quality and availability of education for its people. The WET is aimed at garnering support and resources from the Muslim World to provide education and training opportunities to the people at large.

In order to help achieve its objectives, the WIEF-UiTM International Centre was set up in 2007 to undertake vocational training and capacity building programmes. H.E. Dr Ahmad Mohamad Ali, President of the Islamic Development Bank delivered a Special Address at the MARA University of Technology (UiTM) to commemorate the Centre’s Inaugural Ceremony in February 2008.

Since then, the WET has carried out the unique WIEF-UiTM Global Discourse Series that addresses topical issues relating to business and economics, as well as scientific and technological advancement crucial to the development in the Muslim World. This programme has gained increasing popularity with the public and private sectors as well as the academia, and has also attracted local and international award winners and high caliber speakers to the Discourse.

Recent additions to the initiative include the WIEF Social Entrepreneurship Challenge (WSEC) - a 3-phase challenge that trains students to present their business ideas to empower underprivileged communities, the WIEF Young Graduates Entrepreneurship Course - hands-on training programme to encourage students and graduates consider business and entrepreneurship as an alternative career path, and the WIEF-UiTM Occasional Paper, a thematic publication on topical issues.
WIEF BUSINESSWOMEN NETWORK

The WIEF Businesswomen Network (WBN) was mooted at the inaugural Forum in 2005. The idea stems from the premise that women constitute a very important segment of the society and thus must be given due recognition for their economic contribution to the Muslim World. The WBN is aimed at providing a networking berth for women entrepreneurs across the world, especially in Muslim countries and societies.

WBN organises the annual WIEF Women Entrepreneurs Workshops, which have attracted women entrepreneurs from 19 countries since its establishment. More similar hands-on programmes and Online Marketing Workshops are being organised worldwide to equip and empower women to effectively compete in the challenging business world.

The Online Marketing Workshops has a proven record of success where it has reached out to over 200 participants from countries such as Bangladesh, Cambodia, Cameroon, Indonesia, Iran, Malaysia, Morocco, Sudan, Tunisia, Uganda and Yemen, amongst many others. As the members of WBN is rapidly growing, WBN will continue its efforts to assist women entrepreneurs in building networking and business capacity to pursue market opportunity widely through its business programmes and workshops.
WIEF YOUNG LEADERS NETWORK

The WIEF Young Leaders Network (WYN), is a global platform that brings together young leaders, change makers, professionals and entrepreneurs across the globe to connect creative ideas and explore collaboration in business and social programmes.

The Network currently runs an active global internship programme - matchmaking students with reputable corporations worldwide, the Young Fellows – a holistic leadership development programme, thinkTalk – a community dialogue session, and the Marketplace of Creative Arts Festival – WIEF’s international creative arts festival.
WIEF ROUNDTABLE SERIES

The WIEF Roundtable was designed as a unique extension of the WIEF Annual Forum. This programme provides an avenue where regional and local business leaders can congregate to leverage on existing business and economic strengths and define key steps and measures to take in order to transform a common vision into reality.

Since its launch in Bahrain in February 2011, the WIEF Foundation has organised similar Roundtables in Turkey, Russia, South Africa, Bangladesh, United Kingdom, Saudi Arabia, Indonesia, Republic of Korea, Spain and Japan. The WIEF Roundtable has received overwhelming response and support from government leaders, business communities, and the media of the respective countries.

Due to the runaway success enjoyed by the programme, the WIEF Foundation plans to hold more Roundtables in the future.

MEDIA PARTNERSHIP

Media support is important to us, as we, at the World Islamic Economic Forum Foundation, strives to “build bridges through business” across countries and regions through our annual gathering of world and business leaders.

We have come a long way since we first started in 2005. Equipped with a strong zeal in getting the global business community closer to each other, the participation at our Forum sharply increased from a mere 600 to more than 3150 in 2014. World leaders are now starting to look at our Forum as a focal point to promote their economic agenda in their own countries and to reach out to the business community of other countries. The line-up of leaders at our Forums is testimony to our growing acceptance worldwide.
Your value as a Media Partner to the WIEF can be divided into 3 categories depending on the media value of the services you can render:

Category I (US$200,000), Category II (US$100,000), Category III (US$50,000).

SUPPORTING ORGANISATIONS

Collaboration is one of the main thrusts of the WIEF Foundation. We believe that with the support of organisations, we can make a positive difference in the economic well-being of nations and its people.
We would like to recognise and thank the donors and partners who have contributed to the Foundation since its establishment. We continuously seek new avenues to expand our partnership portfolios.
